LA's Top Doctors

Dr. David Singer, Internal Medicine
Dr. Kyaw Moe, Nephrology
Dr. Geoffrey Dolan, Rheumatology

Los Angeles magazine asked practicing physicians throughout Los Angeles County who they thought were the best doctors and those with the most nominations were cross-checked with the California Medical Board's license profile database and the Department of Consumer Affairs to check for any major complaints or infractions. It is an honor to be considered by your peers to be the best at what you do.
